

# Holding institutions accountable through investigative journalism

Accountability for the post-2015 development framework:  
untapping civil society potential

Marcos García Rey (@garcirrey) [marcos.garcia.rey@gmail.com](mailto:marcos.garcia.rey@gmail.com)

*The World's Best Cross-Border  
Investigative Team*

ICIJ

THE INTERNATIONAL CONSORTIUM  
OF INVESTIGATIVE JOURNALISTS

**Fighting corruption with the world's best  
cross-border watchdog journalism by  
185 investigative reporters in 65  
countries.**

In Spain, no FOI law until Dec 2014

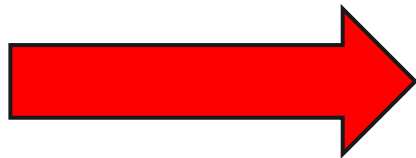

# No accountability and transparency culture

# The need to report on the ground

Due to a cyclical rise of the water level and bad planification, this touristic project in Atilan lake (Guatemala) is a failure.

**Investigate reporting is a good tool to  
rebuild trust in society**
